AI Influencer Page References

BONUS RESOURCE • Instagram pages shown in the AI Influencer Workshop reference section

How to use this: Open these pages to study positioning, profile presentation, content formats and monetization patterns. Use them for research and inspiration - do not copy or impersonate another creator.

Reference Pages

01	@okay.adiiti	OPEN INSTAGRAM ■
02	@aaniasharmaa	OPEN INSTAGRAM ■
03	@sassy_poooo	OPEN INSTAGRAM ■
04	@snowy_nitu	OPEN INSTAGRAM ■
05	@sassy.maaya	OPEN INSTAGRAM ■
06	@hey._pearl	OPEN INSTAGRAM ■

Quick Research Checklist

1. What type of posts get repeated most often?
2. How is the profile bio and positioning structured?
3. What content themes, outfits, locations and formats recur?
4. What calls-to-action or monetization features are visible?
5. What can you adapt into an original strategy for your own AI influencer?

Note: These usernames were taken from the reference screenshots/pages displayed on the AI Influencer Workshop website at the time this bonus was prepared. Instagram usernames, availability, subscriber counts and page details can change over time. These accounts are provided only as research references and are not represented as being affiliated with or endorsing this course.
